

THE FOREFRONT OF TECHNICAL PUBLICATIONS

Bluedrop is committed to providing our clients with optimized support services with the synergies of training and technical publications, or stand-alone technical publications. Our technical publications team is dedicated to supplying your needs in the following areas:

- Writing and Updating of Technical Publications
- Publications Management Services
- Graphic and Illustration Services
- Electronic Publishing Services
- Project Management
- All in an ISO 9001-2015 Certified Environment

For further information about our technical publications services, please visit our website and contact our sales department.
